

INFORMATION ON MANDATED SPECIALTY PHARMACIES

What is your patient's prescription drug plan?

- Some health plans require a specific specialty pharmacy be used to fill a patient's Prolia® prescription.
- Payer-mandated specialty pharmacies may vary based on employer-specific plans.
- Submitting prescriptions to one of the payer-mandated specialty pharmacies listed below may minimize a patient's out-of-pocket costs and expedite fulfillment.*

MEDICAL AND/OR PRESCRIPTION PLAN	SPECIALTY PHARMACY	PHONE	FAX
